From the Principal's Desk...

Dear Parents, Over the past few weeks, we have joyfully resumed our daily routine with renewed energy and dedication after successfully overcoming a challenging period of viral infection spread. Our cadets are now appearing for their half-yearly examinations, which will be followed by the Diwali break. To ensure the continued good health and well-being of our students, some suggested medical tests for your wards will be communicated shortly. We request your kind cooperation in completing these at the earliest. With the onset of winter, please ensure your children return with adequate woollen clothing to keep them comfortable during the season. On behalf of the entire team, I extend my warmest wishes to all our children and their families for a very happy and prosperous Diwali. Jai Hind
